

Enabling learning - works

The screenshot displays the Wiley Online Library website within a web browser window. The browser's address bar shows the URL `onlinelibrary.wiley.com`. The page header includes the Wiley Online Library logo and navigation links for PUBLICATIONS, BROWSE BY SUBJECT, RESOURCES, and ABOUT US. A user is logged in as 'Librarian Administrator' with options for MY PROFILE, INSTITUTIONAL LOGIN, and LOG OUT. A banner below the header reads 'WILEY ENABLES DISCOVERY' with the tagline 'Share knowledge across disciplines, professions and borders'. The main content area is divided into several sections: a search bar with the text 'enabling learning' and filters for 'All content' and 'Publication Menu'; a 'BROWSE' section with a list of subject categories including Agriculture, Architecture & Planning, Business, Chemistry, Computer Science, Earth & Environment, Humanities, Law & Criminology, Life Sciences, Mathematics & Statistics, Medicine, Nursing, Physical Sciences & Engineering, Psychology, Social & Behavioral Sciences, and Veterinary Medicine; a 'RESOURCES' section listing training, research, and author resources; and two promotional boxes for 'TRAINING AND TUTORIALS' and 'REGISTER FOR ALERTS'. The footer contains links for ABOUT US, HELP, CONTACT US, and other site information, along with a copyright notice for 2012 Wiley & Sons, Inc.
